Proud to Be Sacred Heart School

We all like to be a part of a winning team! Sacred Heart School is a great mix of people, all important to who we are and what we stand for. We form a partnership between the children of our parish and caring parents, grandparents, great grandparents and extended family. The children come to learn and grow. The adults come with a genuine desire to develop the whole child, both academically and spiritually.

We caring adults understand that even on those frustrating days our work is of value. We give the gentle and persistent reminders not only on their academic lessons, but on those life lessons that shape the values of this next generation. We show them what it is to be patient and kind, firm and fair, polite and consistent. We show them that it is important to do even the little things right like washing the cafeteria tables.

We encourage our children to give their personal best to the work that they do – studies, sports, friendships, service to others... etc. I'm proud to be a part of this winning team!

P.S. It's time to get you Box Tops for Education in to the school office. Each Box Top earns 10 cents for our school. The next shipment gets sent in on Oct. 31st.

P.S.S. Does anyone have a manageable donkey or pony that we could use in the Holiday Parade? Contact the school office or Lisa Spader.
