***WELCOME...to any new parishioners and to those visiting.
We are so glad to have you here with us today.***

Dear Parishioners,
We are starting a New Year honoring the Blessed Virgin Mary as the Mother of God. The Apostle Paul refers to the mystery of the divine motherhood of Mary in his Letter to the Galatians. He writes, **"When the time had fully come, God sent forth his Son, born of a woman, born under the law" (4:4). "Born of a woman" – Mary's greatest privilege is precisely to be Mother of the Son who is God.** The title "Mother of God," and the title "Blessed Virgin," are the oldest titles for Mary. All other titles we use to venerate her are based on these titles.

Today, as we look at Mary, ever-virgin Mother of God's Son, let us learn from her to welcome the Child who was born for us in Bethlehem. When we truly recognize in the Child born of her the Son of God and accept Him as our only Savior, we will recognize and accept Mary as Mother of God and our Mother. Although the Child lying in a manger looks like any other baby in the world, at the same time, He is totally different: He is the Son of God; He is God, true God and true man. This mystery – the Incarnation of the Word and the divine Motherhood of Mary – is great and surely not easy to understand with the human mind alone. So, we pray as the disciples did, **"Lord, increase our faith" (Luke 17:5).**

As we begin a new year today, resolutions are probably on our minds. The name "January" comes from the Roman god Janus, the god with two faces, one looking to the past and the other looking to the future. This is indeed a time to look back at the year that has just ended and to look forward to the New Year ahead of us. How did I spend this one year of my life that has just passed? Did I use it to advance my goals in life? Could I have done better last year in the way I invested my time between the demands of work, family, friends and society, and the demands of my spiritual life? When we review the passing year, it leads us to setting goals and resolutions for the New Year.

Today, many people will make the New Year resolutions. I think that most of them are not resolutions but only wishes. What is the difference between a resolution and a wish? A wish identifies a goal one wants to reach; a resolution specifies the steps one will take to reach it. A wish says where I want to be, a resolution says these are the steps I will take to get there. The wishful person says "I want to pass my exams this year" and the resolved person says "I will devote an extra hour to my studies every day in order to pass my exams." The wishful person says "I will have more peace and love in my family this year" and the resolved person says "I will spend more time with my family at table instead of rushing off to the TV or something else." The wishful person says "I will live a life of union with God this year" and the resolved person says "I will set aside this much of time every day to pray and hear God's word." The difference between wishing and resolving is: are we prepared to do what it takes to make our dreams come true? Resolutions demand perseverance and commitment.

I pray that the Lord Jesus fills your lives during the coming year with an abundance of blessings: **"May the Lord bless you and keep you! May the Lord let his face shine upon you, and be gracious to you! May the Lord look upon you kindly and give you peace!" (Numbers 6:24-26)**

May God bless us and Mary, Mother of God keep us throughout New 2023 Year.

Fr. Krzyzost

Pope's Worldwide Prayer Network
UNITED STATES | CANADA APOSTLESHIP OF PRAYER

January - For educators

We pray that educators may be credible witnesses, teaching fraternity rather than competition and helping the youngest and most vulnerable above all.

How are these prayer intentions chosen?

Faithful from around the world make suggestions for intentions in each country to their national office, which selects some of them to send to the international office of the Pope's Worldwide Prayer Network in Vatican City. Through prayerful discernment, the international office makes a selection and submits them to the Pope to help his discernment. After his prayer and discernment, he entrusts to the International Director of the Pope's Worldwide Prayer Network the official set of monthly prayer intentions, which are then translated into the major world languages and published in print and digital formats.

"The World must be educated to love Peace, to build it up and defend it."

-Pope Paul VI, 1968

Pray for Peace in our community, our country, and our world. Strive to build Peace!

Join the Diocese of Toledo pilgrimage to the first ever nationwide celebration of preborn lives in a post-Roe world! The trip is only \$275 per person, and partial scholarships are available upon request! Pilgrimage includes two nights in the Residence Inn by Marriott in Downtown Washington, D.C., as well as free time to tour the city. We depart from St. Thomas More University Parish in Bowling Green on Thursday, January 19th, at 11AM and will stop in Norwalk to allow those from the eastern region of the Diocese to hop on our five charter buses. We will attend Holy Mass celebrated by Fr. David Kidd in the Crypt Church of the Basilica of the National Shrine of the Immaculate Conception on Friday morning, then attend the Rally and March for Life! This would have been the 50th anniversary of the Roe vs. Wade decision making abortion the law of the land, so it will be an even more exciting experience knowing that Roe has been reversed and each state now has the chance to protect preborn lives at a more local level! On Saturday morning, we will attend the National Pro-Life Summit hosted by Students for Life of America. This is the largest pro-life conference in the world, and for the first time, the Diocese of Toledo has been awarded a national grant to allow everyone in our pilgrimage to attend this for free. To learn more about the summit, go to www.prolifesummit.com.
