History

The 25th anniversary of Pope Saint John Paul II's encyclical, The Gospel of Life, in March 2020 provided a wonderful opportunity to begin to assess, expand, and communicate resources to pregnant moms and families in need. The United States Conference of Catholic Bishops (USCCB) created and promotes Walking with Moms in Need. Saint Rose Church, Saint John XXIII Church, Saint Aloysius Church, and Saint Thomas More University Parish in conjunction with the Diocese of Toledo, seek to educate about pregnancy and parenting resources in the community and to walk with mothers in need.
