An opening prayer was led by Jeff Mackey

Old Business:

Father asked Eric Gabel to start renovation in the rectory basement. Changing lights are to be included with the renovation.

Church portico should be completed the week of July 26 with the installation of the heat sensors and lights. After that will be the install of the handicap auto doors.

Parking lot drains – we are currently waiting for quote from Zimmerman's
Parking lot blacktop – Sims will seal and paint lines in August.

Sam has requested help from the Building and Grounds when requesting bids from contractors to ensure all necessary tasks will be included on bids.

John Havens from Color Haven will be contacted for advice on repairing the church pews.

New Business

We started our meeting with a walk-through of the school kitchen with Georgia. Questions were raised as to who should be contacted for repairs. She was told to

contact Anthony for any repairs. Georgia told us of items that need to be looked at before school resumes.

From there we went into the school with Jeannine giving us a list of items for repairs.

We then went into the SHARE Center with Lisa. She also gave us a list of items that need attention.

A maintenance schedule and list of repairs are being developed.

Next Meeting: August 4 at 7:00pm
