Sacred Heart Catholic Church

*WELCOME...to any new parishioners and to those visiting.  
We are so glad to have you here with us today.*

Dear Friends,

The fourth Sunday of Lent is rather unique; it is called Laetare Sunday. Like the third Sunday of Advent ("Gaudete Sunday"), the fourth Sunday of Lent is a break in an otherwise penitential season. The Church takes a pause from Lenten practice and opens Mass with the Entrance Antiphon, "Rejoice, Jerusalem ... Be joyful, all who were in mourning!". On this Sunday, we look with expectation to the great Solemnity of Easter for which we have been preparing ourselves during the Lenten season. Laetare Sunday is meant to give us hope and encouragement as we slowly progress towards the Paschal Feast. On both Laetare Sunday and Gaudete Sunday (the Third Sunday of Advent), a priest may wear rose vestments. The color rose is used as a sign of the joy which characterizes these two Sundays.

A religious master asked his disciples, "How do you know the moment that the night has ended and the day has begun?" A student replied, "When we see an animal from far away, and we can say it is a cow or a horse." The Master did not agree with him. Another student replied, "When we see a tree from far away and we can say it is a plum or an apple." The master did not agree with him either. Finally, he said, "The day begins when you look at a man and you can recognize him as your brother; or when you look at a woman and you can see her as your sister. If you cannot do that, then although the sun has risen, there is still darkness in you."

Today's Gospel tells us a story of Jesus restoring sight of a man born blind. What a privilege for the blind man to have met Jesus and be healed by Him. What a privilege for him to have Jesus touch his eyes and bring him sight. First, Jesus makes clay out of dirt, then smears the clay on the beggar's eyes. Why clay? To remind him, His disciples and all of us how God created Adam out of clay from the ground. God created him in the Garden of Eden and thus was born new life. Jesus anoints the beggar man with clay and sends him to wash in the pool of Siloam, the sacred pool where angels come and are said to move the healing waters. The blind man comes back seeing. No longer will the blind man stumble about in darkness, but now he will walk in the Light of the Lord.

The truth is that we, too, are often blind - blinded perhaps by prejudices, our ignorance, our fears and our pride - and so, often, we choose to sit in the dark, afraid of the light and what the light might reveal to us about ourselves. We should never forget the words of Jesus, "I am the light of the world. Whoever follows me will not walk in darkness, but will have the light of life." Jesus comes to cure us of our own blindness. We need only to turn to our Lord, in faith and in prayer, asking Him for His help to see the world through God's eyes, to see as Jesus sees, to forgive as He does and did from the cross of Calvary: "Father, forgive them, for they know not what they do."

During this Lenten season, let us turn away from the darkness and rise with Jesus to walk with Him as Children of the Light.

With prayers,

*F. Krzyzostaj*

Last Sunday, the children heard about the Cenacle and Jesus' important words.

Our 8th grade Confirmation candidates had an incredible retreat at Damascus last weekend! While it was a time packed full of adventure, laughter and bonding, it offered several key points that are great reminders for all of us:

- \* The Sacrament of Confirmation strengthens you and gives you the power of the Holy Spirit.
- \* Jesus is always with you as a teacher, healer, leader, and Messiah.
- \* You are called as a Christian to imitate Him and be a "little Christ" to all.
- \* God's love is to be received, experienced, and lived.
- \* You are created for love and when we receive the love of Jesus, it is not just a concept, but a person to be experienced.

Let us continue to remember these 8th graders in our prayers as they are in final preparation to be confirmed on March 25th!
