Sacred Heart Catholic Church

*WELCOME...to any new parishioners and to those visiting.  
We are so glad to have you here with us today.*

In Luke 9:23, Jesus looks at his disciples and tells them, "Whoever wants to be my disciple must deny themselves and take up their cross and follow me. For whoever wants to save their life will lose it, but whoever loses their life for me will find it."

In Roman times, the cross was seen as an object of torture, suffering, and execution. If you were carrying a cross, you were on your way to be crucified. When Jesus makes this statement, the disciples must have been terrified. Can you imagine hearing this from your best friend?

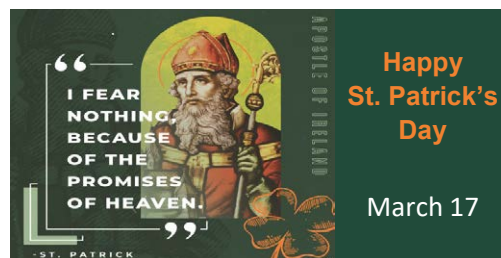

Fast forward to the agony in the garden – Jesus is praying to God the Father. He is sweating drops of blood because He knew that He was about to be taken away and sentenced to death on a cross. He prays, "My Father, if it is possible, let this cup pass from Me. Yet not as I will, but as You will." (Matthew 26:39) Jesus knows that it is the Father's will that He dies on the cross. Even though He did not **want** it, He willingly embraced what He was called to. Jesus accepts this because of His perfect submission to God's will and His Love for you and me. He knows that God's plan will triumph and He will rise again on the third day.

To carry your cross means to put your trust in God completely during the storms and struggles in your life. It means that, although you may be in an extremely difficult or painful situation, you trust that God is with you amidst that. As Christians, we strive to live according to the will of God. We commit to following His commandments and we do not live as the culture tells us to. Living this way is sure to come with persecution, temptation, and suffering. However, we must carry our cross for Jesus and remember that He is with us every step of the way. When we are carrying our own crosses, we get to share in Christ's redemption of the world. This means that our suffering is not worthless and our pain has great value. When we trust in Christ during our struggles, our pain will be used to save sinners and redeem the world.

Don't waste your suffering. It is powerful and beautiful. God will use our crosses, not only to strengthen us, but also as a witness to others as well. He has a plan and we must trust Him during the smooth and the turbulent times. Our human nature wants to run away from this, but we must deny ourselves, surrender our plan, and trust God's will in all things. Someday, when we get to see things as God does, it will all make sense.

**“God, in becoming human, made our thirst his own, a thirst not only for water itself, but also for a full life free from the slavery of evil and death.” -Pope Francis**

*How has the Holy Spirit quenched my thirst for God and God's life in me?*

**FAMILY PERSPECTIVE**

*Our children are like the Samaritan woman in today's Gospel. They need more than material things. They need the “living water” only the adults can give. It will teach them how to make decisions, take responsibility, respect themselves and others and live their commitments. With this “living water” they will “never thirst.”*

*St. Philip*

St. Philip was another fisherman from Bethsaida, from the tribe of Zebulun. His name is Greek and means “horse lover.” Philip was also a disciple of John the Baptist. He brought the apostle Nathaniel to Jesus. In several places in the Gospel stories, Philip seems to misunderstand Jesus.

Philip went to Samaria in A.D. 36, after St. Stephen’s death, and miracles accompanied his preaching. He also went to Gaza, on the seacoast of the Holy Land. He preached to an Ethiopian eunuch, a finance minister. There had been many Ethiopian Jews from antiquity. The Ethiopian Orthodox Church traces back to this incident.

He went back to Palestine, where Paul and Luke visited him and his family in A.D. 58. He had four unmarried daughters, all of whom had the gift of prophecy. After Paul’s arrest, Philip moved his family to Hierapolis in Asia Minor, where he was the bishop of Phrygia. He was assisted for a time by his sister, Miriam, and by St. Bartholomew.

Philip is said to have preached also in Carthage in North Africa. His four daughters lived a long time and remained active in the Church. Philip died about the year 90, during the reign of Domitian, at the age of 87. He, like St. Peter, was crucified upside down.

What is encouraging from St. Philip’s story is that he doesn’t understand Jesus at times. Philip mistakes His meaning or doesn’t get the point correctly. We can be like that, too, not always getting Jesus’ message or taking it to heart. Yet, if we persevere, and listen with an open heart, like Philip, we too can be an instrument of God in the world today.

**Dispensation from Lenten Abstinence on  
Friday, March 17, 2023**

Out of pastoral solicitude, Bishop Daniel Thomas has dispensed the faithful of the Diocese of Toledo, whether actually present in the territory or not, from the obligation to abstain from meat on the memorial of Saint Patrick, Bishop, which will be observed this year on Friday, March 17. Catholics present in the Diocese of Toledo who otherwise reside in another diocese, are likewise dispensed. No member of the faithful is required to make use of this dispensation. Those who choose to make use of this dispensation are strongly encouraged to abstain from meat on some other day that week as part of their penitential practices during Lent. In this way, a faithful Catholic still keeps the penitential spirit of a Friday in Lent and unites oneself more closely with the suffering Christ and His Church.
